

TID 14TH ANNUAL CONFERENCE

IZMIR, TURKEY | 4 – 6 OCTOBER 2018

Extended abstract submission deadline 28th of June

Kültür,
Okumak, anlamak, görebilmek,
görebildiğinden anlam çıkarmak,
uyarıcı davranmak, düşünmek,
hayı terbiye etmektir.

TID

Tobacco Induced Diseases

ABOUT

The 14th annual conference of **Tobacco Induced Diseases** (TID) will take place in Izmir, Turkey (Ege University Atatürk Cultural Center) from the 4th to the 6th October of 2018.

Tobacco Induced Diseases (TID) encompasses all aspects of research related to the prevention and control of tobacco use at a global level.

The journal encourages the submission of articles from all medical, biological and psychosocial disciplines, ranging from medical and dental clinicians, through health professionals to basic biomedical and clinical scientists.

THE VENUE

The Ege University Atatürk Cultural Center is an important facility where both Ege University's and Aegean and Izmir region's scientific and artistic activities are done. The center has two big halls of over 600 seats each. It has also a 340-seat Theatre Hall and the Ege Art Hall of 100 people.

Transportation: Transportation to Ege University Atatürk Cultural Centre which is situated in the center of Izmir, Konak is very easy by any means of vehicle. (E.U. Atatürk Cultural Centre is 50 meters to metro Konak station and 200 meters to Konak ferry port. It is easy to enter from the main entrance of the center by bus, taxi or private car).

REGISTRATION INFORMATION

Registration for the Conference will open in July 2018 after the abstracts are accepted / or rejected and allocated a presentation time within the conference.

Early registration fees (they cover the registration, conference bag, conference coffee breaks, and publication of the presenters conference abstract in TID, the society's official journal):
